PARROTT'S BAY.

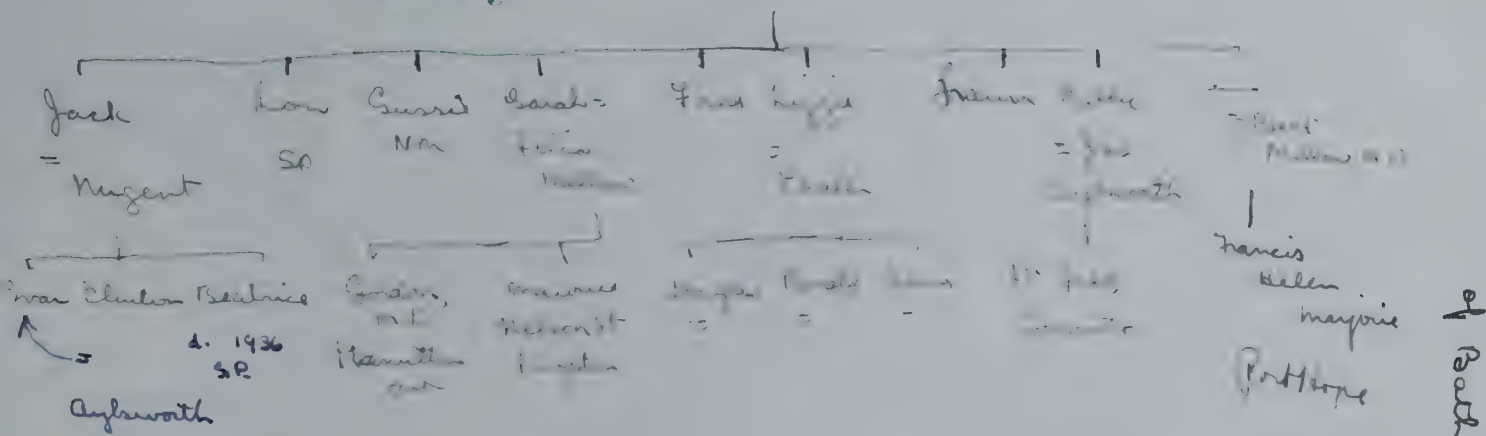

Parrots' Bay, April 12.—The Angel of Death visited the home of Mr. W. J. Armstrong on Friday morning and claimed his beloved wife. The late Mrs. Armstrong was in her sixty-ninth year and was formerly Miss Nancy Amey. She was a woman of sterling qualities and loved by all who knew her. The funeral was held on Monday at 1 p.m. to Cataraqui cemetery where interment took place. The service was conducted by Rev. Mr. Ross. The husband has the sympathy of the entire community in his sad bereavement.

Next Wednesday evening at the conclusion of the Prayer Meeting (9 o'clock) the ladies, and those of other organizations who care to, will meet to read and discuss a chapter of the study book, "New Paths for Old Purposes." The next monthly meeting will be held in the school room of the church.

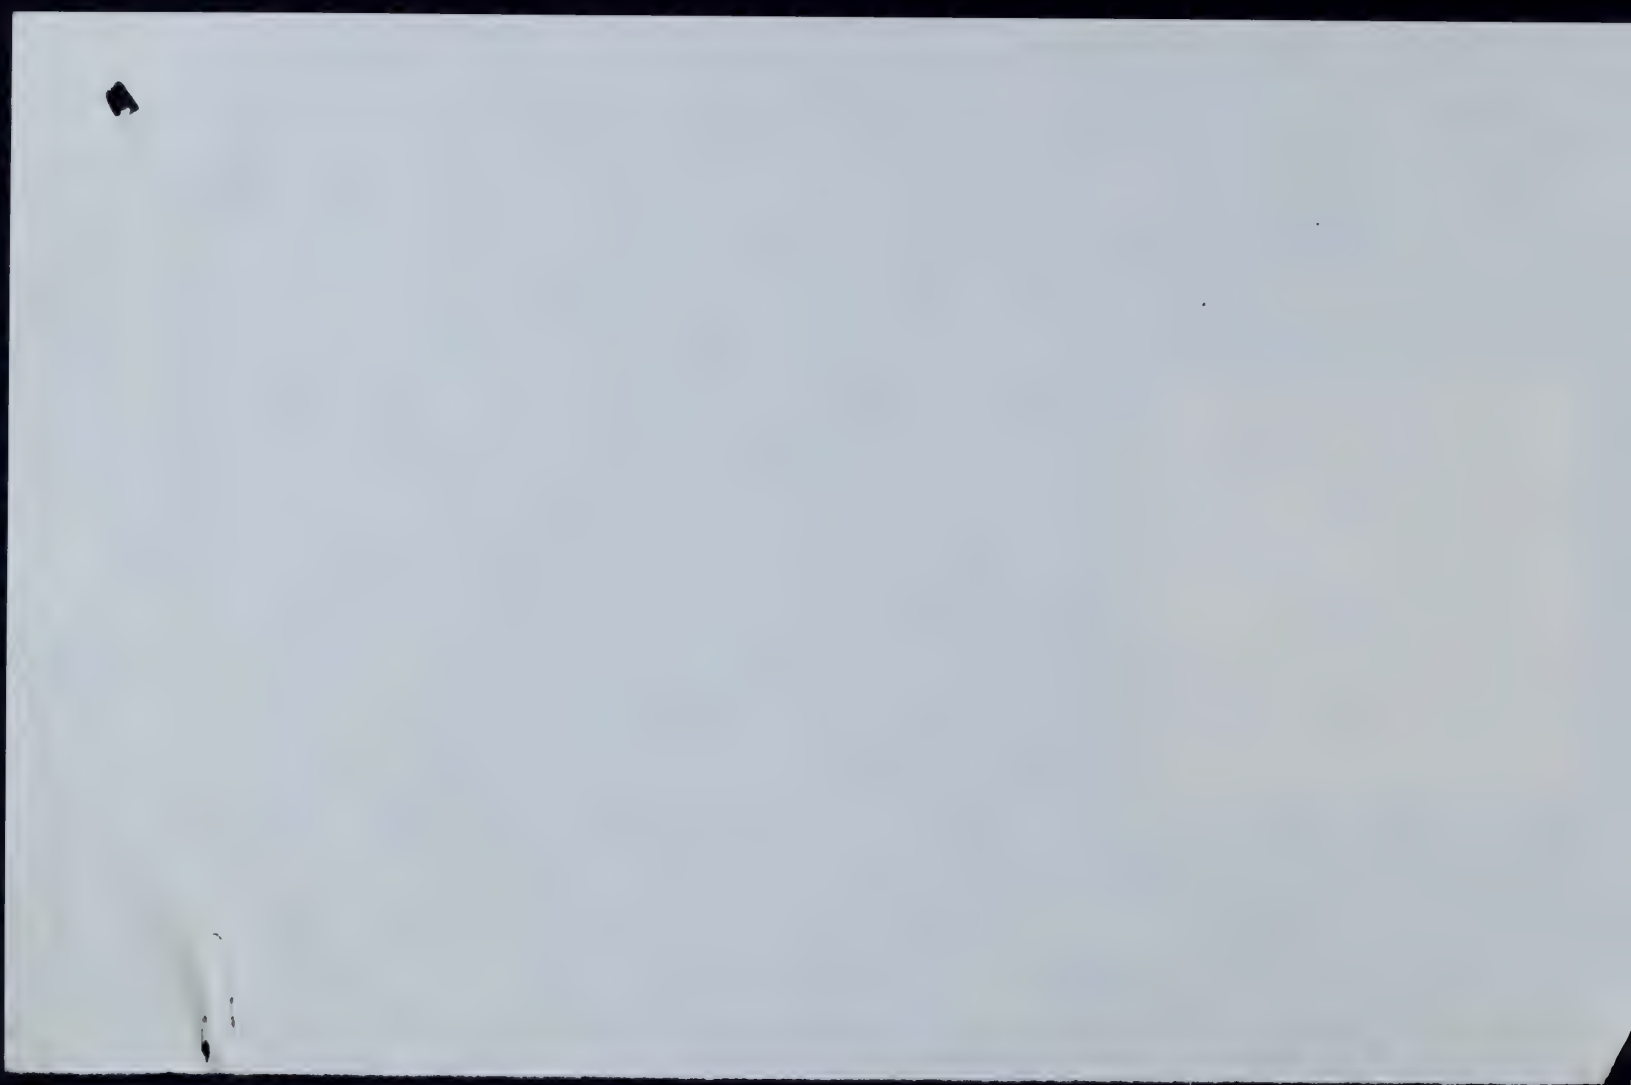

Y.W.C.A. BOARD

At the regular meeting of the Y. W. C. A. Board on Thursday afternoon a number of important items were brought up for consideration and were discussed at some length. The secretary, Miss Rose, gave a very favourable report of the different clubs whose work lately has been showing marked progress.

My dear Mr. [Name],

I have just received your letter of the 10th inst. and am glad to hear from you. I am well and hope this finds you the same. I have been thinking of you very much lately and wondering how you are getting on. I hope you are happy and successful in all your undertakings.

I have not much news to write at present. Everything is going on as usual here. I am still engaged in my studies and hope to complete them soon. I have also been thinking of writing to you more often, but have been so busy that I have not had time.

I am sure you will be interested to hear that I have just received a letter from [Name] and that he is well and happy. I hope you will also hear from him soon.

I am, dear Mr. [Name], very truly yours,

My Grandfather, Mannam McQueen and his wife, Susan Jane Bigham, came from Ireland and Scotland, to work on the first canal that was built. The men were each given a section of Land. (This would, probably, be the Rideau Canal).

They settled in the Merrickville area from about 1800-1870. In 1870, they moved to the woods, now called Plevna. (Then Backshot--Plevna in 1877). They had a horse, two wheeled cart a cow and other belongings. He cut the logs and built their house that summer and she grew enough vegetables to do them all winter. They caught their meat in traps and fished. Their daughter Phoebe, born 1860, was then ten years old, and went to school in the area.

Dear Dr. Burleigh:

A Genealogical Society may be interested in the attached and, since I believe you are a member of such a society, I am forwarding the attached to you.

If information such as this is of interest to a Genealogical Society I would be happy to forward any further information supplied to me direct to the Society. (This was supplied by a reader of my book "Away Back".) Tell me where to forward such information, if you are interested.

The following may be of genealogical interest. My Grandfather, Robert Armstrong settled in Kingston with his sister Mrs. Richardson. They both tried to locate a brother, James. She named a son James Armstrong after her brother. The name James Armstrong Richardson and Sons was prominent in business for many years. He was a first cousin of my Father, Thos Armstrong. Grandfather moved back to Olden in 1860 (Father was born in Kingston in 1859). The Richardsons moved away from Kingston and their movements are well documented. They don't know I exist.

Thank you,

C.A. Armstrong
